

## **Markers & Monuments Rules and Regulations**

1. All memorials must be made of the highest quality standard bronze or of granite, and in colors approved by the Cemetery. The Cemetery shall have the authority to reject any memorial that, because of its size, type, design, inscription, quality, color or method of construction is unsuitable for the particular lot or grave on which it is to be placed. The Cemetery reserves the right to prevent the placing or to remove any marker or other objects that do not comply with the standards of the Cemetery.
2. No marker or monument will be accepted by the Cemetery for installation, unless a sketch has been furnished defining the dimensions, material content and lettering and permission of the proper agent of the Interment Right Owner.
3. All fees or encumbrances due on a lot must be paid in full prior to any memorial being placed on the lot, including any installation fee.
4. In the event a memorial is placed where it is necessary to remove it for an interment or disinterment, the Cemetery shall have the right to remove such memorial without notice to the lot owner.
5. The Cemetery may, at its own expense, without any liability, correct any error that may occur in the placing of a foundation or memorial.
6. Memorials shall be set in accordance with the general plan of the Cemetery. Not more than two (2) permanent memorials may be placed on a grave, one at the head and the other at the foot, unless otherwise approved by the Cemetery.
7. Individual monuments cannot exceed 28" in width or 3' in height. Companion monuments must not exceed 48" in width or 3' in height.
8. All special requests not covered under these specifications must be submitted to Cemetery Management for approval.
