

Markers and Monuments: Rules and Regulations

1. Interment Right Owners or their representatives must purchase and arrange the installation of a permanent memorial, plaque, or engraving within **one year** of the use of Interment Rights (burial, entombment, or inurnment).
2. All memorials must be made of the highest-quality bronze or granite and produced or procured by a vendor operating in the United States.
3. The Cemetery shall have the authority to reject any memorial that, because of its size, type, design, inscription, quality, color, or construction method, is not suitable.
4. The Cemetery reserves the right to reject or remove any marker or other object that does not comply with the Cemetery's standards.
5. The Cemetery will not accept a marker or monument for installation unless a sketch has been submitted to the Memorial Park office showing the dimensions, material, and content, including emblems and epitaph, and permission from the proper agent of the Interment Right Owner.
6. Memorial Park is owned and operated by a Baptist Church. As such, non-Christian religious symbols or engravings that do not align with our identity are not permitted. Epitaphs in other languages must be translated into English before approval.
7. Memorial Park will not approve a permanent memorial of any kind purchased from Amazon.
8. A flower vase or holder must be incorporated into your permanent memorial design if you want to memorialize your loved one(s) with fresh or artificial flowers on special occasions. Please discuss this vase requirement with your headstone vendor and Cemetery Management.
9. Glass, Ceramic, Plastic, or other vase styles installed on the grassy areas are **prohibited** and will be removed immediately.
10. All fees or encumbrances due on a lot, including any installation fee, must be paid in full before any memorial is installed on the lot.
11. If a memorial is placed where it is necessary to remove it for interment or disinterment, the Cemetery shall have the right to remove such memorial without notice to the Interment Right Owner.
12. The Cemetery may correct any error in placing a foundation or memorial at its own expense and without liability or prior notice to the Interment Right Owner.
13. Memorials shall be set per the Cemetery's general plan. Not more than one permanent memorial may be placed on a grave. The only exception is for members of the U.S. Military, in which case one headstone (appropriate to the rules) and one flat footstone will be allowed with prior approval.
14. Individual monuments cannot exceed 28" in width or 3' in height. Companion monuments must not exceed 56" in width or 3' in height. Children's Area monuments must not exceed 24" wide & 21" high.
15. The cemetery no longer allows the installation of any bench.
16. All special requests not covered under these specifications must be submitted to Cemetery Management for approval.
